

# MINI FLUSH

## GAMING GUIDE

Mini Flush is an Indian version of 3 card poker.

### HERE'S HOW TO PLAY

- The game will commence when all players make their bet in the box mentioned as 'Board'. You can also bet on the optional bets called 'High' and/or 'Low'.
- All players in the game and the dealer will get 3 cards dealt face down.
- Look at your three card hand, you have two options. If you think your hand is high enough to beat the dealer, place an equal amount of your original bet in the box mentioned 'Bet' or you can fold wherein you will lose the original bet but can win any valid optional bet.
- The dealer needs a 'Queen' high or better to qualify. If the dealer qualifies, then the player's hand will be compared to the dealer's hand and the higher hand will win. If the dealer does not qualify, then the player will win even money on the 'Ante' bet and the 'Play' bet will be a push.
- 'Board' and 'Bet' is paid even money when wins. An additional bonus is paid to Board when you win with a 'Run' or above and the dealer qualifies.
