

FOR THOSE WHO DEMAND EXCELLENCE

Part of the Deltin Group family of resorts, Deltin Palms is equipped with modern facilities designed with a classic Goan touch, while its residences offer a riverfront view best enjoyed from the large private balconies. Set alongside a quiet waterfront of Panjim's Mandovi river, Deltin Palms offers a choice of 27 private residences set in Goa's green countryside. These spacious residences make you feel like you're in your own Goan villa. Large private balconies are a feature for residences overlooking the Mandovi bay, while each village view residence has a private garden to itself. As much time as you spend in your own private villa you will also spend at the Vegas cafe & the private gym.
